

ROBOTS ARE TAKING OVER

We are on the verge of a robot revolution that will bring autonomous robots to every home in the US to assist us with daily chores, caretaking, and entertainment!

Thursdays
3:15-4:15pm
January 12th-
March 29th
12 weeks
\$275, all materials
included

WINTER 2011

This class will teach you how our electronic friends are helping us to do the jobs that we don't want to do at home, in hospitals, and everywhere else. You'll get to do fun, hands-on activities, learn about exciting new technology that is changing the way our world works, and create your own robots to take home. Come build with us!

GRADES 3-8

South Loop School
